RE: **COMPLIANCE TO DECISION NO. 64178** - REQUEST FOR
EXTENSION OF TIME. (DOCKET NO. T-03940A-00-0771)

On November 13, 2001, LightSource Telecom I, LLC ("LightSource") submitted correspondence requesting an extension of time to comply with four conditions in the decision granting LightSource authority to provide facilities-based and resold local exchange and interexchange telecommunications services (October 30, 2001; Decision No. 64178). LightSource's CC&N was conditioned on the Company filing: 1) conforming tariffs within 30 days of an Order; 2) a performance bond for a minimum of \$100,000 within 90 days of the effective date of the Commission's Decision or 30 days prior to the commencement of service, whichever comes first; 3) certification that all issues associated with the provision of 911 service have been resolved within 30 days of an Order; and 4) its plan to have its customers' telephone numbers included in the incumbent's Directories and Directory Assistance databases within 30 days of an Order.

LightSource requests an extension of these four conditions until 30 days prior to LightSource's provision of local exchange service in Arizona. Staff recommends that a specific date be given by which Staff can monitor compliance. Staff recommends that LightSource be given an extension until October 30, 2002, or until 30 days before providing service, whichever is sooner, to submit its compliance filings to these four conditions. In addition, Staff recommends that no further extensions of time for compliance be granted.
